The number of days allotted at each step of the grievance procedure is to be considered as a maximum time limit. Every attempt should be made to resolve grievances as quickly as possible. A grievance which occurs near the end of the school year shall be presented on or before June 30th of the school year in which it occurred.

2. A grievant may present and process his grievance personally or through an appropriate representative. Should a grievant want to process his grievance personally or through an appropriate representative of his own choosing, he may do so, however the majority unit shall be so notified and shall have the right to have its own representative present.

3. No reprisals shall be taken by the Board or Administration against any employee because he utilizes the grievance procedure.

4. Should a grievance result from action taken by the Superintendent or the Board, a grievant may present his grievance initially at the third step of the grievance procedure.

5. Forms developed jointly by the Board and the Association will be used for the filing of grievances.

Article III, Grievance Procedure (continued):

C. PROCEDURE

STEP ONE:

(a) A grievant may initially discuss the matter, identified as a grievance, with the immediate Superior in an attempt to settle the grievance informally. This is not intended to extend the time limitation as set forth in Section B, sub-section 1.

(b) A grievant shall file his grievance in writing by presenting the written grievance to the Immediate Superior and forwarding copies to the Superintendent and the Matawan Regional Teachers Association.

STEP TWO:

(a) The grievant and the Immediate Superior shall meet in an attempt to resolve the grievance not later than five (5) school days following the date on which it is filed.

(b) The Immediate Superior shall communicate his decision in writing to the grievant not later than five (5) school days following the hearing. A copy of the decision shall also be forwarded, at the same time, to the Superintendent and the Matawan Regional Teachers Association.

STEP THREE:

(a) If the grievance has not been resolved at step two of the procedure, the grievant may request a hearing of his grievance by the Superintendent or his designated

Article III, Grievance Procedure (continued):

representative. This shall be done not later than five (5) school days following the principal's decision.

(b) The grievant and Superintendent or his designated representative shall meet in an attempt to resolve the grievance not later than five (5) school days following the date on which the hearing was requested.

(c) The Superintendent or his designated representative shall communicate his decision in writing to the grievant not later than ten (10) school days following the hearing. A copy of the decision shall also be forwarded, at the same time, to the Matawan Regional Teachers Association.

STEP FOUR:

(a) If the grievance has not been resolved at Step Three of the procedure or if the Superintendent or his designated representative has not communicated his decision in writing to the grievant as provided in Step Three, the grievant may request a hearing with the Board or its representatives. The request shall clearly explain the grievance and be made in writing not later than five (5) school days following the Superintendent's or his designated representative's decision or if no such decision has been communicated, then not later than five (5) school days following the expiration of the ten (10) school day period provided in sub-section (c) of Step Three.

(b) The grievant and the Board or its representatives shall meet in an attempt to resolve the grievance not later than ten (10) school days following the date on which

Article III, Grievance Procedure (continued):

the hearing was requested. The grievant may have three representatives present when his grievance is reviewed by the Board or its representatives.

(c) The Board shall communicate its decision in writing to the grievant not later than fifteen (15) school days following the hearing. A copy of the decision shall also be forwarded at the same time to the Superintendent and the Matawan Regional Teachers Association.

STEP FIVE:

(a) In the event the grievant is dissatisfied with the determination of the Board of Education aforesaid, and in the further event that the grievance involves the interpretation or application of this contract, the matter may be submitted to binding arbitration. The grievant shall request in writing that the Matawan Regional Teachers Association (MRTA) submit his grievance to arbitration. If the MRTA decides the grievance is meritorious, it may submit the grievance to arbitration. A request for arbitration shall be made in writing no later than fifteen (15) days following the determination of the Board. Failure to request arbitration within said period of time shall constitute an absolute bar to such arbitration unless the Board of Education and the Matawan Regional Teachers Association shall mutually agree upon a longer time period within which to assert such a demand.

Article III, Grievance Procedure (continued):

(b) The Board may also request arbitration concerning any dispute regarding the interpretation or application of this contract. The time limits applicable to the Association are also applicable to the Board of Education.

(c) The arbitrator shall have no power or authority to add to, subtract from, change or modify any of the terms of this Agreement.

(d) Within ten (10) school days after the MRTA shall have delivered the written request for arbitration, the Board and the MRTA shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified time period, a request for a list of arbitrators shall be made from the Public Employment Relations Commission. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

ARTICLE XXII  
LEAVE OF ABSENCE

**A. APPROVED REASONS FOR LEAVE OF ABSENCE**

Leaves of absence shall be granted only for the following reasons:

- (2) Death in the immediate family as defined in Article XXI, Section E;
- (3) Death of relative as defined in Article XXI, Section F.
- (4) Quarantine or court subpoena;
- (5) Maternity;
- (6) Personal business.

**B. LEAVE OF ABSENCE FOR PERSONAL ILLNESS**

Leave of absence for personal illness may be granted a teacher by the Board. A leave of absence shall not be granted because of personal illness unless the applicant submits the form prescribed by the Board, signed by a regularly licensed Doctor of Medicine, which in all cases shall give such information as will satisfy the Board that the absence is necessary. In case of mouth ailments, the certificate may be signed by a Doctor of Dental Science or Doctor of Dental Surgery.

**C. MATERNITY LEAVE**

1. The Board shall grant leaves of absence for medical reasons associated with pregnancy and birth to pregnant

Article XXII, Leave of Absence (continued):

teachers on the same terms and conditions governing leaves of absence for other illness or medical disabilities, as set forth in N.J.S.A. 18A:30-1 et seq. and the rules, regulations and policy statements and this agreement.

2. It is recognized that a teacher's maternity leave application involves both a disability phase and a child care phase. The disability phase is that period of time, both pre-natal and post-natal, during which a physician certifies inability to work. The child care phase is that period of time selected by the teacher which follows the disability phase during which time the teacher voluntarily suspends her teaching career to care for the new born child.

a. Disability Phase. Any tenured or non-tenured teacher seeking a leave of absence on the basis of medical reasons associated with pregnancy or birth shall apply to the Board of Education. At the time of application, which shall be made upon sixty (60) days' notice to the Board, the teacher shall specify in writing the date on which she wishes to commence leave and the date on which she wishes to return to work after the birth. The Board shall require any teacher to produce a certificate from a physician in support of the requested leave dates. Where medical opinion is supportive of the leave dates requested, such request shall be granted by the Board. It is understood that the disability period as certified jointly by the teacher's and Board's physicians may be treated as compensable sick leave time at the option of the teacher.

Article XXII, Leave of Absence (continued):

b. Child Care Phase. Where the requested leave dates are beyond the period of disability associated with pregnancy and is for child care purposes as defined above, the tenured teacher shall be granted, at her discretion, a leave for (a) the balance of the school year in which the birth occurred, or (b) the balance of the school year in which the birth occurred and the entire following school year. Any further extensions of child care leave shall be discretionary with the Board of Education.

The Board need not grant or extend the leave of absence of any non-tenured teacher beyond the end of the contract school year in which leave is obtained.

3. A teacher returning from pregnancy leave of absence shall be entitled to all benefits to which teachers returning from other types of sick or disability leave would be entitled. Nothing contained herein shall be construed to require the Board to grant tenure to any non-tenured employee who would not otherwise have been granted tenure or to offer a new contract for a new school year to any non-tenured employee who would not have been otherwise offered such a contract.

4. No tenured or non-tenured teacher shall be barred from returning to work after the birth of her child solely on the ground that there has not been a stated or prescribed lapse of time between that birth and her desired date of return except as is provided herein. Nothing contained in this

Article XXII, Leave of Absence (continued):

article shall be construed to preclude the Board from requiring any teacher after birth of her child to produce a certificate from her physician showing that she is physically capable of resuming her duties.

**D. LEAVE OF ABSENCE FOR OTHER REASONS**

Leave of absence with pay will be granted only for reasons specifically mentioned in this Agreement. A leave of absence with full loss of pay shall be granted for any other emergency or urgent reason upon written application to the building principal. For the protection of the employee and for proper payroll accounting and audit, every absence must be accounted for in writing.

**E. LEAVE OF ABSENCE FOR MILITARY OR NAVAL SERVICE**

Leave of absence shall be granted for entry into military or naval service in accordance with N.J.S.A. 18A:6-33.

ARTICLE XXIII

The number of people in the bargaining unit shall be determined as of January 1 of the year preceding the year for which the leave is requested. In the event that such computation yields a fraction, it is expressly understood that 0 to .49 does not qualify as an additional person; whereas .50 or more does qualify as an additional person.

B. A teacher in order to be eligible for a sabbatical leave shall have been employed in the school district for a minimum of 7 years at the time the requested leave is to commence.

C. A sabbatical leave shall be granted only for the pursuit of full time graduate study and/or foreign or domestic travel.

D. A teacher on sabbatical leave shall receive one-half of the salary which the teacher would have received had he remained in the district.

E. The teacher will submit an application in writing on forms provided. The application shall be filed with the Superintendent of Schools on or before March 15 of the school year preceding the school year in which the sabbatical leave is to commence. In the event the number of eligible applicants exceeds 1% of the bargaining unit as defined above, the sabbati-

Article XXIII, Sabbatical Leave (continued):

cal leaves shall be granted on the basis of seniority in the school district.

F. Subject to limitations provided by law, pension and insurance payments will be deducted from the salary of the teacher while he is on leave, based on one hundred (100%) percent of his contractual salary; and health benefits for the year will be paid as if the teacher were not on leave.

G. Salary payments will be made on the same basis as the regular staff. Payments will not be made in advance.

H. Sick leave shall not accrue while on leave.

I. In the event of serious and/or lengthy illness which prevents the start or completion of the sabbatical program, the teacher will apply for normal sick leave, and/or other leave, if necessary, at which time the Board's sabbatical salary contribution shall cease.

J. A teacher who is granted a sabbatical leave shall upon completion of the sabbatical either return to the District or shall reimburse the Board of Education for all salary received while on leave.

K. Credit on the salary guide shall be earned by the teacher while on sabbatical leave.

ARTICLE XXIV  
TUITION REIMBURSEMENT

A. Teachers will be reimbursed for job or certificate related graduate courses taken and successfully completed to a maximum of three hundred (\$300.00) dollars per year per person.

B. In order to avoid a duplication of benefits from public funds, those courses taken under the Veterans Benefit Act, National Science Foundation Grants, NDEA grants or other public scholarship and aids shall not apply.

C. Major courses in the preparation for administrative certification are not eligible for reimbursement.

D. Actual reimbursement will follow within 60 days of submission of official transcript and tuition payment receipts, provided a grade of B or better is attained. In case of pass-fail grading system, pass is acceptable.

ARTICLE XXV  
MANAGEMENT RIGHTS CLAUSE

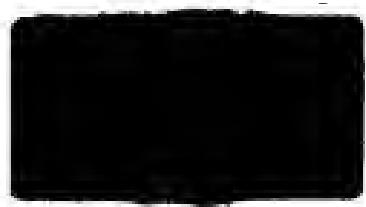

A. The Board, on its own behalf and on the behalf of the electors of the District, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of New Jersey, and of the United States, including but without limiting the generality of the foregoing, the right:

1. To the executive management and administrative control of the school system and its properties and facilities, and the activities of its employees while said employees are engaged in the performance of their duties.

2. To hire all employees and subject to the provisions of the law, to determine their qualifications, and the conditions for their continued employment, or their dismissal or demotion; and to promote, and transfer all such employees, to relieve employees from duty because of lack of work or other legitimate reasons. Where the Board has adopted procedures in the above areas, the Board will follow said procedures.

3. To establish grades and courses of instruction, including special programs, and to provide for athletic, recreational and social events for students, all as deemed necessary or advisable by the Board.

4. To decide upon the means and methods of instruction, the selection of textbooks and other teaching

ARTICLE ~~XXVI~~ ~~XXVII~~

C. This Agreement shall not be extended orally and it is expressly understood that it shall expire at midnight on June 30, 1983.
